## ABOUT THE DESIGNER

"Aesthetic sustainability is key to all of our products. In an effort to create furniture that will last a lifetime, we have taken no shortcuts. We work with genuine marble, brass and aniline leather – materials that will only become more beautiful over time. These materials are worked with care and dedication to embody the simplicity and applicability of our design. Design that above all stays true to the Nordic DNA that imbues HANDVÄRK."

## MARBLE TREATMENT

HONED MARBLE

Honed marble is characterized by a matte, smooth and satin-feel surface. To protect, saturate in a thick porridge-like mixture of soap flakes and water. Make sure the mixture is allowed to seep into the top. This treatment is repeated 3-4 times the next two weeks.
