

Harbour Boat

The wooden sailboat fulfils your wishes for a child's toy; the Harbour Boat brings hours of play for your child while adding a unique touch to the décor. A future classic for every home. The adorable wooden sailboat's deck provides room to accommodate a small hand or a favourite figure, making it a great playmate for many years. Birthdays or baby showers; the Harbour Boat is an excellent present for all occasions.

MATERIAL Carved from one piece of rubber wood to create the fluent organic shape of the boat. The surface is treated with eco-friendly, non-toxic paint and lacquer for a smooth finish. The cotton sail is added using an elastic thread and environmentally friendly glue.
