

Mouse Chair & Mouse Table

The iconic chair and table are inspired by a small mouse. With a simple and modern twist, it is designed to both delight its miniature users and to be functional in the home.

The vision is to create a space for children to call their own, adding a place of value to unfold their creativity.

AWARD-WINNING AND TIMELESS DESIGN

- Functionality combined with the modern take on the iconic design of Nofred's children's furniture made these products award-winners.
- The fine details in the craftsmanship creates a timeless design, which compliments the interiors of every family setting.
- The size, soft shapes and with several colours to choose from, make the chair and table easily adaptable to most spaces around the home.
