ABOUT US

TIMELESS DESIGN

All our designs are intentionally timeless. They withstand trends and associate well with different styles, and they can be passed on from one home to the next, carrying over the stories of one lifetime into another. Our collections go back to the essence of what we believe is good design: pieces full of character, made from quality materials that ages beautifully. We love that solid wood evolves with the years as it carries the marks of the life that happened to it.

We create collections for every room of the house: from the furniture that defines the purpose of a space to the objects that layer it with meaning. Nothing excites us more than seeing how people love and use our products in the story of their life.

UNIQUENESS OF THE PRODUCT

Our products are created using classic and traditional techniques, such as metal-leafing, hand-painting, silk screen-printing and aging. Due to the handcrafted nature of our products, each item will vary. We consider this a sign of uniqueness and quality.

CARE INSTRUCTIONS

WOOD

The Ethnicraft items are varnished with a water-based topcoat to repel common substances and fluids, such as coffee, tea and wine. However, the protective coat is no foolproof guarantee against stains. In case of a spill, remove it immediately.

For regular dusting, use a dry cloth. For a more thorough cleaning, use furniture polish with a soft cloth.

GLASS & MIRROR

Wipe the glass or mirror surface with a neutral glass cleaner and soft cloth.

METAL

Dust regularly using a soft dry cloth. For a more thorough cleaning, use mild soap and warm water. Rinse with clean water and wipe dry. Do not use steel wool, sandpaper, mineral acid, bleach, or chlorine cleaners on metal surfaces.

USER INSTRUCTIONS

Our trays are intended for decorative and everyday use. They are not to be used in a setting such as, but not limited to, restaurants where they are exposed to constant washing, repetitive handling and service of heavy items.

These products are intended for indoor use only.

*We create the foundations of your home,
