Geometric silhouette
in vibrant upholstery

Clean lines meet Italian extravagance

The Silo pouf takes its name from its simple cylindrical shape, which forms a strict contrast to the vibrant upholstery. Luxurious, woven textiles from the Italian manufacturer Imatex give the pouf a stroke of extravagance that is held neatly in place by the simple geometric silhouette. Silo has a soft but firm surface so that it can act as a stand-in for a coffee table, for example to keep magazines and literature. The pouf can live in a hall, living room, dressing room or bedroom as a flexible and decorative addition to the furnishings.
