

MESH wireless

Design Francisco Gomez Paz, 2018

**LUCE
PLAN**

Type:	Suspension	
Light source:	LED 61W 2700K LED 53W 2700K	EEL : A EEL : A
Product use:	Indoor	
Materials:	Structure in steel, lenses in polycarbonate	
Colors:	Black	

Description: Thanks to a wireless kit available for the Mesh suspensions large (Ø 100) and medium (Ø 80), users can interact with the lamp by means of a smart device. Luceplan has developed a special app (for Android) that makes it possible to control single or multiple units, individually or as a group.

Insulation class: 

Reference code:	Structure		
	D86N	1D860N000001	black
	D86NPI	1D860N800001	black
		Push/dim ceiling rose for wireless version	
	D86/W1	1D860/W10002	suspension kit 1 m
	D86/W5	1D860/W50002	suspension kit 5 m
		Wireless kit at 2.4 GHz	
	D86/1	1D860/100000
