Ishinomaki AA STOOL
by TORAFU ARCHITECTS

Ishinomaki AA STOOL

BY TORAFU ARCHITECTS

Simple, flexible and versatile, the AA STOOL by Japanese DIY furnituremaker TORAFU ARCHITECTS is produced in Denmark and from locally grown Danish Douglas fir. Named after the shape of its profile, the flat pack design has an untreated finish that lets you customise it to the look you want. Each pack of two stools is offered in two sizes – medium or tall – and can be used individually or combined to create a wider seat.

MENU has the distribution right to the Ishinomaki AA STOOL in the Nordic countries: *Denmark, Sweden, Norway, Finland, Iceland and the Faroe Islands.*
