

Grande

Designed by *Note*

FOGIA.

GRANDE is a real statement piece of furniture. An expansive homage to the beauty of solid oak, designed by *Note* and made with care by our artisans.

Designed to play a central role in the home, office or meeting place, GRANDE is like a magnet, drawing people together to share ideas, thoughts or simply a collective pause.

GRANDE has been crafted to fit the demands of today's open-plan spaces, whether it's the home or the office. Its generous work surface seating large numbers without feeling cramped.

Use Grande as an informal dining table, task bench, boardroom table, for indoor picnics — And don't be afraid of a spill or two; Grande's good looks only get better with age.
