

NOTIC TABLE LAMP

BOWER STUDIO

Notic is an homage to classical architectural elements. The graphical metal shade embraces the complex geometry of the glass and spreads the light in a hypnotic way. The lamps have a focused down light combined with a gentle illumination through the shade. With the resemblance of a hypnotic pendulum the beholder might even find something within themselves.

PRODUCT	Notic table lamp
SIZE	475 mm (H), 153 mm (W), 153 (D) mm
MOUNTING	Table lamp
PRODUCT CODE	BSNO1002
FITTING	G9 (not included)
WATT	Max 25w
ENVIRONMENT	Indoor
FINISH	Matt paint
COLOR	Black
VOLTAGE	220-240v
CORD LENGTH	2100 mm
MATERIAL	Steel and opal glass.
TECHNICAL DESCRIPTION	Table lamp in patterned steel and casted opal glass.
